

**Friends of the Fisher
House — Illinois
&
100 Club of Chicago**

The 2013 U.S. Secret Service Chicago Field Office Charity Golf Outing will benefit Friends of Fisher House - Illinois and 100 Club of Chicago.

We are proud that this event provides us the opportunity to serve our veterans and the families of our first responders. This annual golf outing is one of the many events the Chicago Field Office organizes that falls under our 'Operation Shining Star'. Money raised through Operation Shining Star benefits worthy charities throughout the year as well.

The Non-profit Friends of Fisher House — Illinois (FOFH-IL) is dedicated to financial, volunteer and emotional support for America's military families in one of their greatest times of need — by providing "a home away from home" during medical crises that require soldiers to stay for extended periods of time at hospitals far from home.

100 Club of Chicago is a civilian organization that provides for the families of police officers, firefighters and paramedics who have lost their lives in the line-of-duty. The Club helps ease the burden on families associated with the tragic event, including immediate financial assistance and the ongoing cost of higher education. All federal, state, county and local police officers, firefighters and paramedics stationed in Cook County are included.
