

**9th Annual Boat Cruise  
Fundraiser  
To Benefit Veterans and Military  
Families Support Organizations**

Society of  
American Military Engineers

SAME's Chicago and Lake Michigan Posts invite you to attend our **9th Annual Boat Cruise Fundraiser** to Benefit Veterans and Military Families Support Organizations. This two-hour cruise on the Chicago River and Lake Michigan is an enjoyable way to spend a summer evening with fellow SAME members and guests, as well as to learn about and support local and national service organizations.

We are continuing our collaboration with Wounded Warrior Project (WWP) and Friends of Fisher House. Proceeds from the Cruise will be placed into a revolving fund to support these and other veterans and military families support organizations throughout the calendar year.
